Point to Ponder: 'In the Eucharist, we contemplate and worship the God of love. The Lord who breaks no one, yet allows himself to be broken. The Lord who asks nothing but gives everything. In celebrating and experiencing the Eucharist, we too are called to share in this love. For we cannot break bread on Sunday if our hearts are closed to our brothers and sisters. We cannot partake of that Bread if we do not give bread to the hungry. We cannot share that Bread unless we share the sufferings of our brothers and sisters in need. In the end, and the end of our solemn Eucharistic liturgies as well, only love will remain. Even now, our Eucharistic celebrations are transforming the world to the extent that we are allowing ourselves to be transformed and to become bread broken for others.' (Pope Francis)
