Point to Ponder: 'The disciples had to understand that one can only be a blessing by overcoming the instinct to defend oneself and by accepting what Jesus entrusts to the Eucharistic gesture: the willingness to offer his own body as bread to be eaten, to live and die in order to give life. This is what Sunday is, brothers and sisters: it is the pause along the journey in which we gather around Jesus. Jesus encourages us not to stop and not to change direction. There is no greater promise, no treasure more precious than living in order to give life!' (Pope Leo XIV)
